# Presentation to the Rotary club of Keilor East . Vic.

Funding requirements for the Cambodian project,  
“The CCD”

## **Our purpose....**

**To provide charitable support to  
children at risk of exploitation,  
human trafficking and other forms  
of abuse in Cambodia**

# **Our vision**

**To take children out of harms way,  
restore their confidence and self  
esteem and assist them in returning  
to, or commencing education.**

# Our values

- **Education** – breaking the poverty and abuse cycle
- **Respect** – for themselves and for others
- **Fun** – enhancing the lives of children who have known only poverty, abuse and exploitation
- **Khmer culture** – a commitment to promoting Cambodian living and culture
- **Reintegration** – children to live happily within a caring and supporting family environment
- **Quality** – enhancing the quality of life through quality living quarters and services

# ACCT and RAWCS

- ☑ ACCT collaborates with Rotary Australia World Community Services (RAWCS) an ATO registered DGR
- ☑ The ACCT/CCASVA children's centre is RAWCS project No. **7-2013-14**

**The children  
scavenge for a living....**

**Working and living  
in frightening conditions.....**

Thousands of slum dwellers exist in these conditions.....

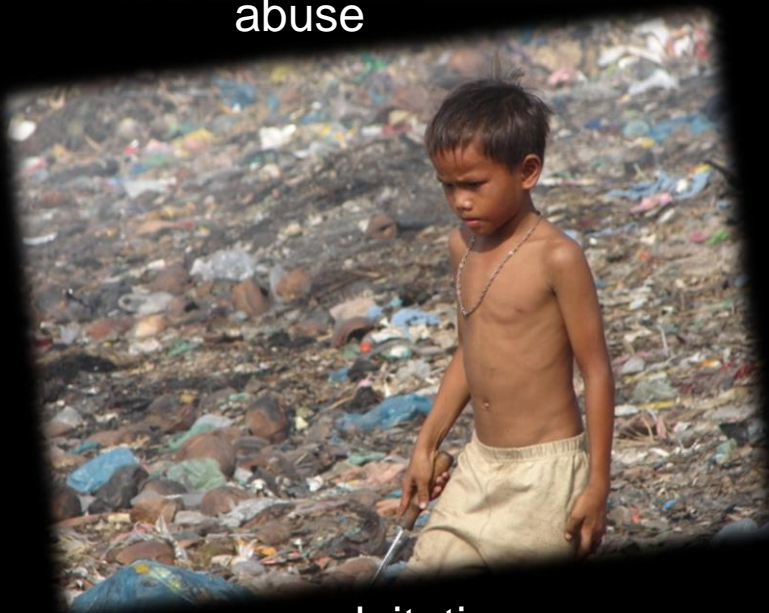

**our children come from this....**

abuse

scavenging

exploitation

poverty

# appalling poverty.....

**young girls are most at risk of abuse.....**

**This is where the children now live. It's called the CCD. Unless reintegrated, they will stay here until age 18**

**Here they have safety, security and a future!**

**education is our priority.....**

**with your help we built new class rooms....**

# The CCD is a place of caring...

...and fun!

and culture...

The girls are superb dancers

## and other cool stuff...

**This is Chandra at age 10. She was rescued by CCASVA social workers following assaults by her step father**

## *Chandra*

**She is an excellent student and has just completed year 12**

**Chandra loves Khmer Apsara traditional dancing and is the lead dancer in the CCD dance team**

**On January 1st 2013, Chandra commenced her studies as a law student at university. Her plan is to complete 2 years of law before becoming a trainee social worker.... helping children like herself break the cycle of poverty and exploitation**
