Our fantastic International Committee Members L to R: Helen Penna, Cherrie Osborn and Deb Sloggett are travelling to Cambodia to spend time with our partners in Project W.

The Project aims to provide clean drinking water to secondary schools and their communities in rural Cambodia.

July Report

by President Deb Sloggett

New International President Jennifer Jones is certainly impressive and being the "first woman in office" brings a lot of pressure. There is a lot more about Jennifer on the My Rotary webpage. The Imagine logo which Jennifer developed has created a lot of talk and at changeover I forgot to share its meaning so:

The circle and dots are a guiding light -our connections to each other. The dots represent people and there are seven representing Rotary's area of focus. The solid green line represents a digging stick and is the colour green supporting the environment. The logo was created by Australian Aboriginal artist Riki Salam.

All is in preparation for the next international Convention to be held in Melbourne 27-31 May 2023. I hope as many members as can will book to attend this wonderful opportunity.

Report by President Deb Sloggett

So far in July we, as a club, have held a successful Moonee Valley art show in partnership with Rotary Club of Essendon. The first time held in a new venue – St Bernard's College. Magnificent effort from a very active team, brilliantly led by Phil O'Brien. We had a club night post the show when we invited Rotary Club of Essendon to join us for a meal at Windy Hill, followed by an informal discussion re what worked well, the depth of the artwork and opportunities to learn from. It was a very enjoyable night.

Our other 2 meetings for the month, we as club members looked at what we wanted to do this year with project work. We first listed what projects we were all interested in and what we are currently doing. Thankyou to David Dippie for collating all the potential projects and listing them according to service area. Our second meeting we then went through all the potential projects for final confirmation if we would like to continue with and who would champion the project.

So now we are at final stage and the information gathered will go the Committee Chairs to discuss with their committee and make recommendations to the board.

Our personal action is to align ourselves with a committee.

You may want to be part of a project that is aligned to different service areas. This is okay, the more the merrier. We are a team and I encourage everyone to be involved and let's see what we can achieve this year.

Next month (30/7 to 12/8) I will be away in Cambodia for 2 weeks with Helen Penna and Cherrie Osborn so I look forward to bringing back news, photos and stories.

Next Month -Club Goals are my next 'goal' to share with the Club.

Keilor East Rotarians L to R: Alex Billson, Ginny Billson, Tina Ballos, Marianne Potgieter, Lesley McCarthy (Flemington/ Kensington Rotary), Yvonne Osborn and David Dippie helped cook a BBQ for the National Tree Planting Day event at Canning Reserve, Avondale Heights. Flemington/ Kensington Rotary provided the trailer, supplies and equipment and we provided the servers, cooks and Rotary publicity/ public relations people. It was a great collaboration and Community Service. Photo thanks to Lesley McCarthy.

Right: Former KERC member and great friend of our Club Annie Webb sent us these photos from last weekend. She taught her granddaughters how to knit and to make cupcakes.

Congratulations to John and Maryanne Walsh upon their new home.

It would be great to get more photos of our members and families for our next Newsletter. Send to my phone 0411773360 or email to keiloreastrotary@gmail.com
