CPR Friendly Dr Ginny Billson

by President Yvonne Osborn

On Monday 5th July thirty Rotarians and friends watched a humorous presentation on a serious topic; saving lives by being familiar with the steps involved in providing CPR and, if necessary and available, operating a defibrillator or AED. We hope that we will never need to make use of this training, but it is great to know that we would feel able to do so in a life-or-death situation.

A reminder that our official President Changeover is scheduled to be held on July 26th at The Starlight Room, Taylors Lakes Hotel. This will be Covid Restriction dependent.

Meeting Report July 5th, 2021

New President, Yvonne Osborn (still to receive the chains of office, but excited to be leading Keilor East Rotary in 2021-2022) began by welcoming everyone to the first official meeting of the new Rotary Year. Visitors included Alison Perrottet, Tony Thomas and Robyn Soffe. Greeter, Marianne Potgieter recorded thirty in attendance.

President Elect Deb Sloggett reminded us that this week is NAIDOC (National Aborigines and Islanders Day Observance Committee) Week. It is a week which aims to increase awareness in the wider community of the status and treatment of Aboriginal and Torres Strait Islander Australians.

Community - Gerard Mahoney thanked members who worked on the Watergardens Bunnings BBQ on Saturday 3rd July.

International - Deb Sloggett – Another RAWCS application has been submitted. Read about how [our last RAWCS grant](#) benefitted the children of Siem Reap and surrounds in Cambodia.

Social – Ginny Billson reminded Members that the Changeover event will be held on Monday 26th July (Covid Restrictions permitting).

Youth – Two potential National Youth Science Forum Year 11 students were interviewed by David Bennett, Athena Vass and Yvonne Osborn at the Brimbank Bicycle Education Centre. We have endorsed their applications and wish them well for the next phase of the process.

Meeting Report July 12th, 2021

On Monday 12th July we held an informal Dinner Meeting at our usual venue, Keilor East RSL. We had plenty of opportunities to talk, some committees met, and Terry Badenhope tried to get Alex to take money for the Lucky Key Draw. We always think that the key we draw will fit.

Above : The Care Bear Mascot paid us a visit with our Club's Care Bear, Marianne Potgieter.

Right: David Dippie, Michael Donnelly, Phil O'Brien and Ginny Billson were focused on Rotary's new area of focus, [Environment and Sustainability](#).

CPR Friendly - Training and AED Awareness via YouTube video - Dr Ginny Billson

Dr Ginny Billson introduced the amusing, but very thorough training video created by Ian Hutchinson and his friend Don McKee who saved his life after Ian suffered a cardiac arrest while they were bike riding.

From the CPR Friendly website

As a result, Don & Hutch founded CPRfriendly.org in memory of, and on behalf of, the 91% less fortunate that don't survive. To help turn the statistics around, Don & Hutch, through CPRfriendly.org, are on a quest to raise awareness of CPR and public access defibrillators with the mission of helping save more lives – starting in our own backyard.

What you will learn:

1. Learn vital life-saving CPR skills
Quick and easy CPR instruction using the DRSABCD
2. How to use a defibrillator (AED)
Understand how, when, what, where and why of defibrillators
3. Real life 000 emergency stories
Don & Hutch share their personal life-changing CPR story
4. Get free CPR resources
Access downloads and useful links and apps

Danger Response Send Airway Breathing CPR Defibrillator

Life saving AEDs are currently placed in many workplaces , Clubs and Shopping Centres so it is imperative that as many people as possible are familiar with their use. Keilor East Rotary has one for use on outings, away from Keilor East RSL.

DAYS FOR GIRLS

Members of our Keilor Gateway Cluster Victoria team of Days for Girls were finally able to celebrate the team's 5th and 6th birthdays and their extraordinary achievements with a recent get together at the Essendon Hotel. Congratulations and thank you to everyone who has been involved with the team over the past 6 years.

Lisa Lowcock made the delightful frame. A great idea.
