The Rotary Foundation – Past District Governor Murray Verso

Meeting Face to Face again and Maintaining Connections

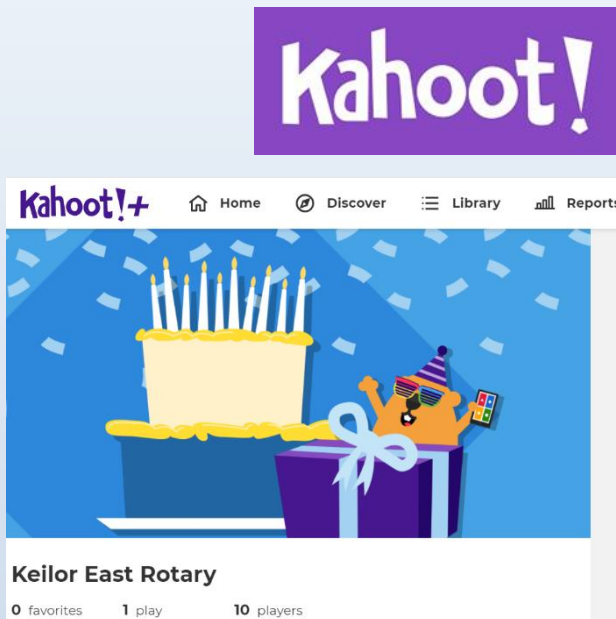

by President Yvonne Osborn

On **Monday 8th November** we were finally allowed to meet at the RSL for the first time in 12 weeks. We had a great social catch-up and held an introduction to Kahoot quizzing with a ten-question quiz created about Keilor East Rotary.

On **Monday 15th November** we welcomed District 9800's Rotary Foundation Director Murray Verso from Williamstown Rotary to explain the work of the Rotary Foundation. It was founded by the sixth Rotary International President, Arch Klumph, who had a vision of what an endowment fund could do for Rotary and the communities of the world.

Our President Changeover will be held on Monday 29th November. <https://www.trybooking.com/BRZSN>
We need numbers so please book your tickets if you haven't already done so.

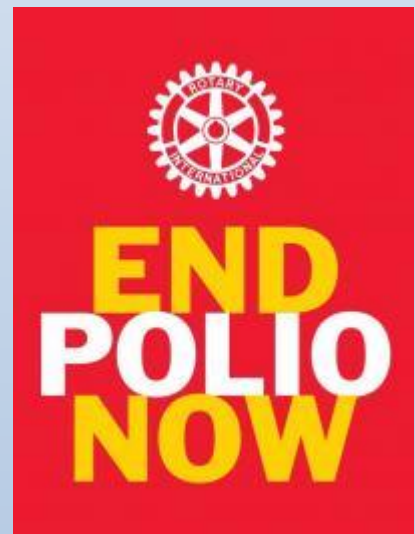

Meeting Reports - November 8th and November 15th, 2021.

President Yvonne Osborn welcomed everyone back after twelve weeks of lockdowns had meant we couldn't meet face to face. She welcomed Barry Mullen who was the winner of our Melbourne Cup Sweep, drawn at our Cup Eve Progressive Dinner. Our meetings had been conducted weekly via Zoom.

With the help of Tony Thomas (an experienced Quizmaster) and Helen Penna, Yvonne introduced members to a ten-question Kahoot Quiz which she made up about Keilor East Rotary. The winner was Paul Perrottet who quickly caught on to the need for speed. In second place was Vanda Mullen and third was Phil O'Brien who went by the nickname of Obie. They won bottles of wine from our generous Art Show sponsors, Andrew Peace Wines.

Rotary has been working to eradicate polio for more than 35 years. Our goal of ridding the world of this disease is closer than ever.

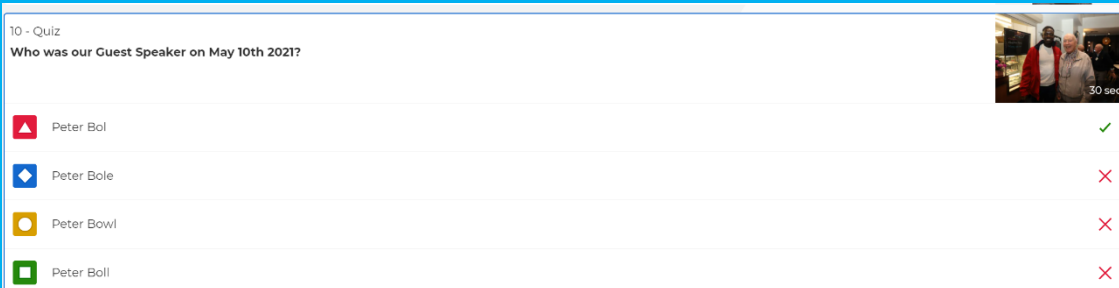

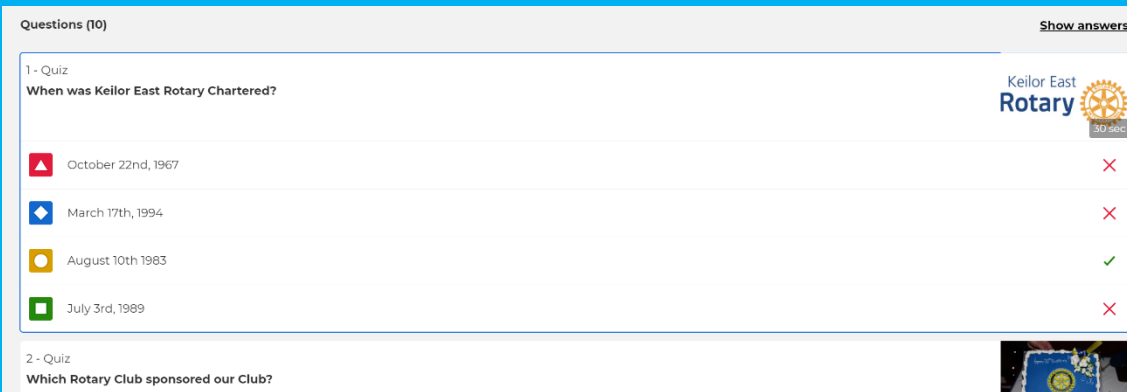

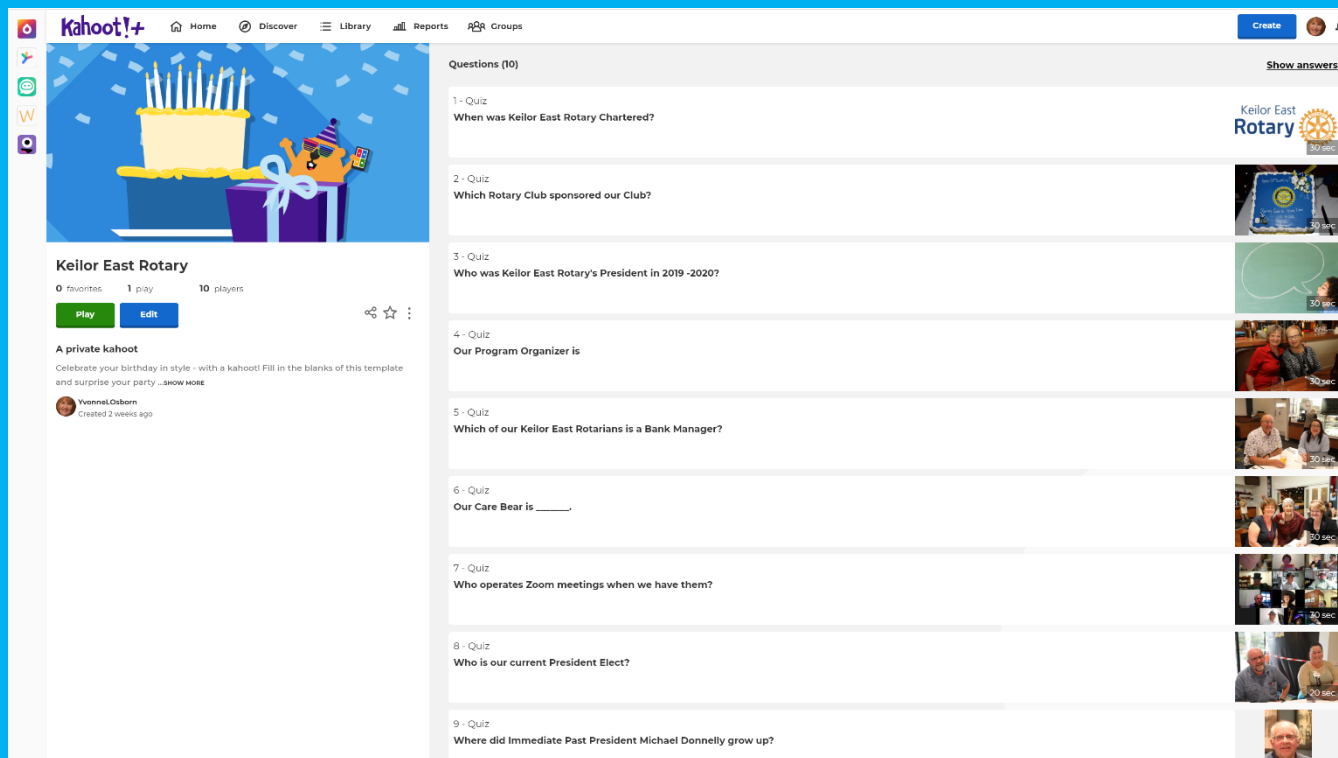

As a founding partner of the Global Polio Eradication Initiative, we've reduced polio cases by 99.9 percent since our first project to vaccinate children in the Philippines in 1979.

Environment and Sustainability – Phil O'Brien announced that we will be providing Beehives for two local Community Gardens, [Keilor East](#) and [Avondale Heights](#). They will have weatherproof plaques attached indicating that they were donated by Keilor East Rotary.

Social Night and an Introduction to Kahoot Quizzing

Monday 8th November 2021

Kahoot!

Players open www.kahoot.com on their phones, push Play and type in the given game PIN to play. Scores are kept electronically, and winners given a place on the podium.

The players were given multiple choices for each question. How do you would estimate you would have scored out of 10?

Kahoot! is a game-based learning platform, used as educational technology in schools and other educational institutions. Its learning games, "kahoots", are user-generated multiple-choice quizzes that can be accessed via a web browser or the Kahoot app.

Kahoot! is a tool for using technology to administer quizzes, Multiple-choice questions are projected on the screen. Participants/Students answer the questions with their smartphone, tablet or computer. The Kahoot app download is available for iOS (iPad and iPhone) and for Android devices as well as on desktop (PCs, laptops and Mac computers). Kahoot is free to download.

Next Keilor East Rotary Meeting - Monday 22nd November 2021 at Keilor East RSL.

AGM Annual General Meeting of Keilor East Rotary

In lieu of our proposed Guest Speaker, John Johnson, Welfare Officer at Keilor East RSL, who is unable to attend we will show a video presentation from [Stove Team](#). The organization was started by a Rotarian from Oregon after she volunteered in Central America. This presentation will give an insight into how open cooking fires impact the health and wellbeing of women and children in millions of homes around the world. It explains how local teams can be trained to install efficient, clean, brick stoves which send smoke outside via a chimney instead of blackening lungs and providing a dangerous hazard for children and adults.

We welcome your suggestions for future Guest Speakers. Email Program Organizer [Annie Webb](#).

When Covid Restrictions allow we meet at Keilor East RSL every Monday. We arrive from 6.00pm and order our meals by 6.30. Our Guest Speaker is introduced at 7.00pm.

Now meeting on Monday evenings at Keilor East RSL.

UPCOMING EVENTS

Our Club President Changeover has been pushed forward **again** and will now be held on Monday 29th November at the Starlight Room, Taylors Lakes Hotel (Covid Restrictions permitting). Dress - Smart Casual. Please advise any special dietary requirements when you are making your booking.

**Bookings Close
on Tuesday
23rd November**

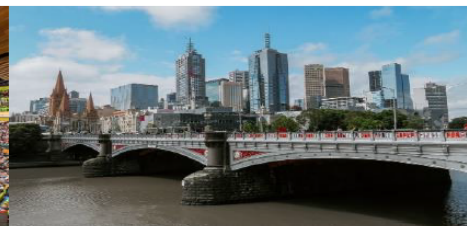

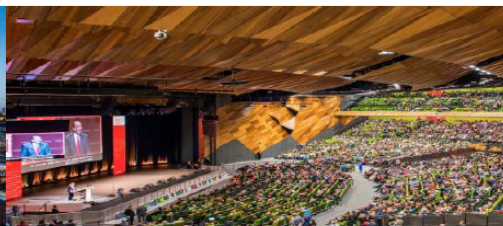

We need more participants – there will be a band and dancing is allowed (at last).

INTERNATIONAL CONVENTION 27-31 MAY 2023 MELBOURNE, AUSTRALIA

Nov 2021

Melbourne Convention Host Hospitality Night

Monday 29th May 2023 is the Melbourne Convention Host Hospitality night. An RI Convention tradition where local Rotarians and Clubs provide delegates with a memorable evening of hospitality, local culture and international fellowship.

We are now seeking expressions of interest from individual Rotarians and Clubs to participate in either Home Hosting or Club Hosting events. This is a great opportunity to induct delegates into the culture and marvels of our wonderful city.

I look forward to hearing from you and your great ideas on how to impress our overseas and interstate delegates! **Closing Date 22nd Jan 2022.**

Peter Dunn - HOC Director

HOME HOSTING OPPORTUNITIES

Rotarians who are registered for the Convention and live within an approximate 15 km radius of the CBD can apply to host between 4 and 8 international and interstate guests in their home for dinner. Priority for hosting will be given to Registered Convention attendees but non-attendee Rotarians are also welcome to apply.

As a Home Host you will be responsible for arranging transport for your guests to and from your home. You may want to consider involving others in your Club, or immediate family to assist in this process. It is acceptable to have guests returned to their hotels by Taxi or Uber.

Hosts will receive \$55 per guest (from the registration fee for this event) to help offset the costs of the dinner and transport.

For more information and to Register your interest in Home Hospitality Opportunities go to:

<https://rotarymelbourne2023.org/home-hospitality>

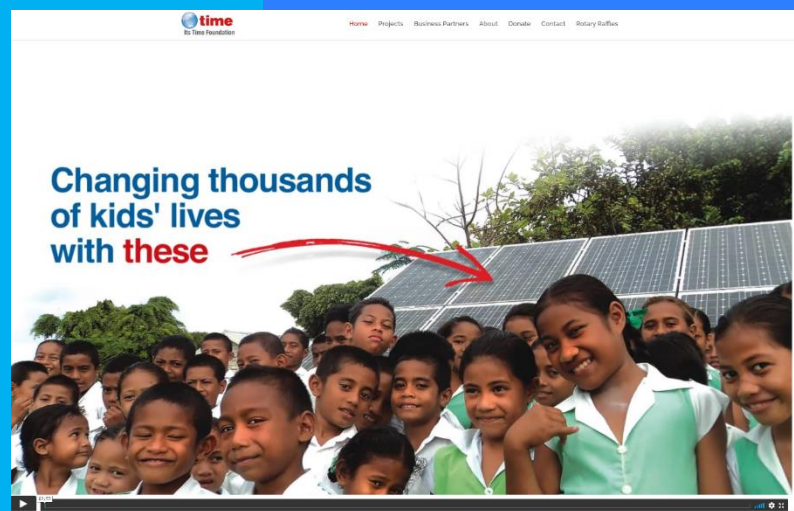

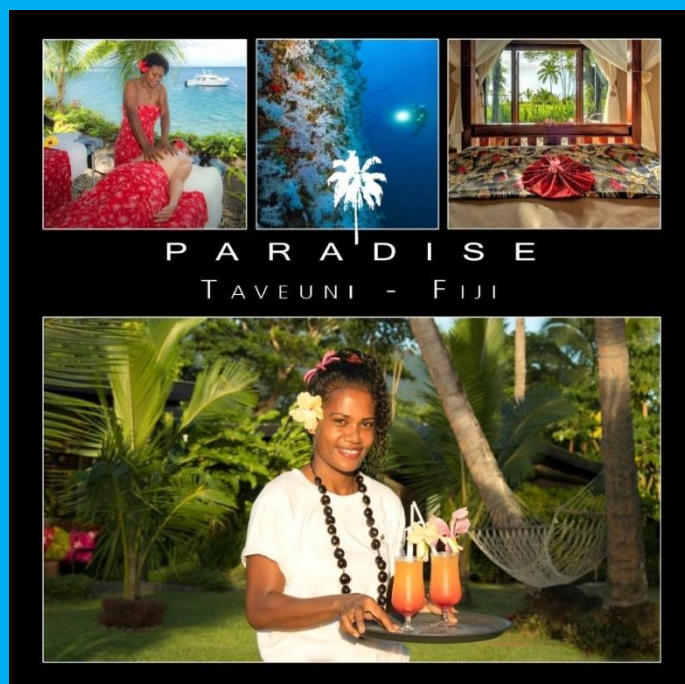

CLUB HOSTING OPPORTUNITIES

These ever-popular Convention events fill quickly and we expect that Melbourne won't be any different. Clubs or a group of Clubs are invited to design their own event and dinner which can be at the same venue or two different venues. To minimise travel time venues should be within a 20 km radius of the CBD. Guests are picked up by bus from their hotel and once onboard, an announcement about their destination is provided. **Surprise!** Clubs will need to host guests in multiples of 50 (one busload) and have at least 5-10 hosting Rotarians & partners for each group of 50 at the dinner venue.

Delegates registering for Host Hospitality will pay a flat charge to attend which will include their return bus trip. Clubs will receive a contribution of \$35pp towards the catering costs. Drinks will need to be purchased on a cash basis at the bar. Clubs should consider budgeting separately for any additional catering costs or entertainment. For more information and to register your interest in Club Hosting go to:

Annie Webb's garden -Amazing what you can do, even when the garden beds are only 450mm wide.

Congratulations Annie – and thanks from the pollinators.

David Dippie and Phil O'Brien care for the environment by helping the Friends of Maribyrnong Valley whenever they can on Wednesdays. Phil took the photos of the group enjoying Morning Tea (below) and David planting trees (above).

We are trying out Instagram – and looking for someone to manage it.
