On Monday 1st October our Members visited Fury and Son Brewery in Keilor Park. This great Vocational Tour was organized by President Elect, Mark Tognon.

President's Report

Monday 1st October 2018

President Ginny Billson

- What a busy weekend with two Sausage Sizzles going in Taylors Lakes and Maribyrnong. Lovely seeing the keen young men from Buckley Park Secondary College nice and early on Saturday morning. They helped Alex man handle the trailer into prime position and carried the heavy cartons of soft drinks for us. The group will get a portion of our earnings for their volunteer's project.
- October is designated Mental Health Month and Australian Rotary Health has requested Rotary clubs to raise funds for mental health research over that month with the "Lift The Lid" motto. Les Norton is giving a talk on the History of Keilor on the 8th of October and he is judging the silliest hat. A gold coin or paper money fee to enter the silliest hat competition together with the sergeant's fines will be donated for mental health research.
- Last Monday's visit to the Fury and son brewery was a hoot. Although Alex and I don't drink much beer, we really enjoyed the pilsner and it is great to support a local start-up company.
- On Thursday the 4th of October we attended the 2nd Gateway NRG (Next Rotary Generations) group to entice younger people to participate in volunteering and ultimately to become Rotarians. There was a great buzz in the room with lots of discussions and socializing amongst both young and more "mature" persons.
- Yvonne and I attended a small workshop at the Baden Powell College on Wednesday to see how we could update our brochures. Hands on work and much learned.
- The last week of September saw me at the Royal Melbourne Hospital for the week. A bit of a shock from diverticular disease which required a few transfusions. On the mend now but a bit light headed still. Thanks for all your kind thoughts

Happy team at work. John Walsh hiding in the rear turning the snags. Report and photo by President Ginny.

Vocational Tour - Monday 1st October Fury & Son Brewery - Keilor Park

We were welcomed by Andrew and Kat with a choice of their delicious beers. Thanks go to Mark Tognon for organizing the nibbles.

Left: The brewing process is temperature critical. New stainless steel tanks have recently been added at huge cost.

Right: For washing up on a larger scale, the bottle washer was impressive.

Above: Their new van makes an increasing number of deliveries, especially in Summer. The beers were so popular last Summer that production could not keep pace with demand.

From our Club's Facebook Page :

Tonight, instead of our regular Rotary meeting, we went on a vocational tour of Fury & Son brewery in Keilor Park. We tried the delicious beer and enjoyed the great atmosphere created by young owners, Andrew and Kat Georgiou. Prior to making beer, Andrew was a pharmacist for 13 years. He and his father Reno (where the Fury comes from) moved their business from their garage to a large factory and have continued to build their production capacity. We thank them for their great hospitality and wish them every success for the future.

Other Reports (continued)

On Monday 8th October our Guest Speaker will be Dr Les Norton who will speak about the History of Keilor. He has agreed to judge our Crazy Hat Night which, with its Gold coin entry, will aid vital mental health research.

End Polio ... Prance in the Park

Save the Date! 17th November if your Club is looking for an event to get involved in around World Polio Day on 24th October, here it is!

District 9800 End Polio Now Ambassador Susie Cole and Club presidents Amritpal Singh (Southbank) & Kitty O'Connor (Laverton/Point Cook) are organising a major fundraiser for End Polio Now and they need 20 Rotary Clubs to send 5 walkers/prancers to participate in the inaugural **End Polio Prance in the Park**, featuring punks, princes & princesses! at Albert Park Lake on Saturday 17th November.

This year only 100 walkers can participate as more than that will require Parks Victoria permits, more complicated infrastructure & time to plan, but if this year is a success it will grow to a major event in 2019 & beyond.

Every Club's Team representatives are being asked to raise at least \$1,000 in sponsorship, wear a **District 9800 End Polio Now T-shirt** (made famous at the Rotary International Convention in Toronto recently!) & dress as a punk, prince or princess at this fun event!

All teams' sponsorships will be attributed to their respective clubs as part of their annual contribution to Foundation and End Polio Now and if the event raises the hoped for \$100,000, with the Bill & Melinda Gates Foundation contribution of 2:1 it will be \$300,000 towards the final push to end polio in the world!

The registration/sponsorship website is coming soon, so meanwhile, who's in?

Susie will be there in her gold shorts helping to run the day, we need 17 more clubs to register & join the Prahran Prancers, Southbank Strutters & Laverton/Point Cook Lopers (working titles - may change) with 5 more prancers apiece!

Let Susie (scole16@hotmail.com) or Kitty (catherine@champagnethursday.org) know if you're up for prancing (or even just walking sedately)?

If not prancing, for an extra charge you can be part of the "End Polio Push".... where you'll be pushed around the 5km course in a DIK loaner wheelchair!

Save the date & **NOMINATE!!**

Jenny Foster thanked all the wonderful presenters and invited everyone in attendance to meet them and ask questions.

Jessica Herne (National President of UN Youth Australia).

Chairperson Cameron introduced each presenter and asked them some questions. Below is Jan who was born in Thailand. She said that as a child she saw a lot of poverty in her country but that the poverty she witnessed in Kenya was on another level. She would like to provide material relief for the people she has met on her travels. She has been delighted with the help she is receiving from Donations In Kind.

We still need to support Rotary's End Polio Now Campaign. One way to do that is to enter a team in the upcoming Polio Prance. End Polio Prance in the Park, featuring Punks, Princes & Princesses! at Albert Park Lake on Saturday 17th November.

Above: Isabelle (Issy) Orosz(second from right) is a Year 10 student at Buckley Park Secondary College. She has asked our Club to help her raise funds to go on the UN Youth Tour of East Asia on Dec 30th. She is one of only 15 students chosen from Australia to attend. A few years ago we helped Luke Corson with a similar quest.

Shine On Recognition – Nominations NOW OPEN

Does your club know of somebody with a disability?

Do they provide outstanding support to others with disability?

Are they a community leader or involved in a community group?

Do you have a relationship with a local organisation that supports people with disability who may want to nominate somebody for Shine On?

Well it is time to get to it and reach out to your local community and identify people with a disability, who are worthy of Shine On recognition. Let's make this year better than ever for the selection panel and give them many outstanding nominees to consider.

RI Southern Districts 'Shine On' is a multi-district project covering all of Victoria (and small parts of SA and NSW), and acknowledges exceptional service to others by people with disabilities. Clubs may nominate people who meet the criteria and all nominees will receive recognition with a Certificate of Commendation.

To be eligible, nominees should:

- Demonstrate the active involvement of the nominee in community service for the benefit of others and have demonstrated a significant level of personal achievement whilst managing a specific medical disorder/disability, and
- Be endorsed by Rotary Club.

Examples of personal achievement may include:

- Leadership and/or mentoring of others with the disability
- Membership and/or leadership in community groups
- Service to the community and/or a history of community achievement
- Other special awards or forms of recognition

Nominations may be made anybody in the community, and, are open to people aged over 15 years.

Each Nomination must be endorsed by a Rotary club. The nominee must sign a consent form and include a small or passport sized photo, as well as other supporting documentation.

Go to our 'Shine On Recognition' page at <https://www.rotarydistrict9800.org.au/sitepage/community-service/shine-on> to download the nomination Form.

Nominations close on 15 December 2018.

The Shine On Recognition ceremony will take place on Sunday 7 May 2019 at the Italian Sports Club of Werribee, hosted by the Rotary Club of Hoppers Crossing.

Member News -

Wondering who to support for the upcoming Melbourne Marathon? Our Honorary Member Ben Carroll, MP for Niddrie, is running the 10Kms to support young local, Archer McLeod, diagnosed in July with a rare Lymphoma. You can support him at the [Archer's Army Everyday Hero](#) page.

Terri Lomosani (left) has just returned from her trip to Italy. She visited her birthplace, Bari (on the heel of the boot) and enjoyed the colourful Festa at Aquaviva (right). Above: The butcher was still open at 10pm. Only in Italy.

We were ably assisted by wonderfully helpful students from Buckley Park Secondary College at our regular Bunnings BBQ at Watergardens on Saturday October 6th. The volunteer help was part of their Personal Development course in VCAL. Many thanks go to Zara, Maddie and Ricky who were helping Cherrie Osborn and Patrick Honeyborne.

This is takeaway Italian style. Yummy. Photos with permission from Terri's Facebook.
